**Programme:**

**9.00 - 10.00 (CEST) Registration of participants and welcome coffee**

**10.00 - 10.15 (CEST) Welcome and Introduction by the hosts**

**10.15-11.45 (CEST) Putting Diamas Project resources to work: Supporting Diamond outputs in practice**

*The Diamas Project delivered practical tools to help Diamond OA Publishers and Service Providers who service Diamond journals. This session will highlight key resources and provide insights into their real-world implementation by Diamond OA services and journals.*

**Funded by  
the European Union**

The DIAMAS project has received funding from the European Union's Horizon Europe research and innovation programme under the grant agreement No 101058007.

**11.45 - 13.00 (CEST) Lunch**

**13.00 - 14.00 (CEST) Diamond diversity across Europe**

*This session will showcase compelling examples of thriving Diamond Open Access initiatives from across the European landscape, demonstrating the diverse models and the significant impact of community-driven scholarly publishing. We will explore how these initiatives are fostering equitable knowledge dissemination and empowering researchers.*

**14.00 - 15.00 (CEST) Collaboration in Diamond OA publishing**

*The development of a sustainable Diamond Open Access ecosystem necessitates a multi-stakeholder approach. This session will provide an in-depth discussion of the collaborative strategies required to foster the growth and stability of Diamond OA.*

**15.00 - 16.00 (CEST) Poster session and coffee break**

**16.00 - 16.45 (CEST) The future of Diamond open access in Europe and beyond - Part 1 (policy makers)**

*Policymakers in this session will engage in a dynamic dialogue with prominent figures from the global and community Diamond OA spheres. This session will critically examine the Diamas project's contributions and ignite a conversation about the future trajectory of Diamond OA, shaping its evolution in Europe and on a global scale.*

**16.45 - 17.30 (CEST) The future of Diamond open access in Europe and beyond - Part 2 (practitioners)**

*Practitioners in this session will engage in a dynamic dialogue with prominent figures from the global and community Diamond OA spheres. This session will critically examine the Diamas project's contributions and ignite a conversation about the future trajectory of Diamond OA, shaping its evolution in Europe and on a global scale.*

**17.30 - 18.00 (CEST) Conclusion and farewell**

**18.00 - 19.00 (CEST) Cocktail hour**
